

# UNLEASHING GREATER CLAIMS- SAVINGS POTENTIAL

We are the architects designing employee health plan benefits leading to financially sustainable healthcare.

**Contigo Health, LLC, can bring you a welcome workers' compensation claims cost advantage in today's turbulent climate.**

The current healthcare climate continues to be challenging. More than ever, the people that lead and facilitate employer health plans are focused on controlling runaway costs and achieving savings associated with the delivery of care for health plan members. At the same time, they recognize the importance of offering optimal access to medical care and support. Contigo Health's comprehensive network of contracted providers throughout the U.S. and Puerto Rico is now uniquely able to address that need with attractive claims repricing across the board.

## /// Network Solutions

**Contigo Health ConfigureNet™ gives employer health plans market-leading, pre-negotiated repricing for workers' compensation claims.**

**ConfigureNet introduces access to what employers want most:**

- // Exceptional claims repricing: pre-negotiated contracted rates with savings that can be realized right away
- // 900,000 contracted providers across 4.1 million U.S. locations spanning all 50 states and Puerto Rico
- // Access to acute care hospitals, ancillary facilities, chiropractors, durable medical equipment suppliers, home health services, laboratories, mental health practitioners, MRI centers, network physicians, physical therapists, radiology centers, surgery centers, and urgent care clinics
- // Seamless and frictionless integration—can plug and play seamlessly with little change to your existing benefits program

## Strengthened by Premier, Inc.

Contigo Health® is a part of Premier, Inc., one of the nation's foremost healthcare improvement companies. Through our relationship, our cost-containment ability is strengthened by Premier's network of high-value hospitals/health systems, technology, and data.

- // 4,400 hospitals and health system members
- // 250,000+ alternate sites/other provider organizations
- // Data on more than 45% of U.S. hospital discharges

## Health Plan Administration Solutions

Contigo Health offers a uniquely flexible health plan administration product tailoring employee benefits management and cost containment to address the unique demands of today's market.

- // Cost savings through greater efficiency
- // Flexible options in benefit design, data integration, and network coverage
- // Integrates tailored care management programs, including case, disease, and maternity management
- // Integrates with existing population health management programs
- // Reporting tools help you analyze plan performance for improvement
- // Outstanding employee satisfaction: 88 User Net Promoter Score
